Fairfield Road and Grand Avenue Reopen in Lake Villa

CHICAGO – The Illinois Department of Transportation (IDOT) announced that the intersection of Fairfield Road and Grand Avenue (Illinois 132), in Lake Villa, will reopen to traffic, beginning, weather permitting, the week of Monday, October 24.

The closure was part of an intersection improvement project at Fairfield Road and Grand Avenue, which included pavement widening, resurfacing and traffic signal installation.

Intermittent, daily lane closures still will be necessary for landscaping and traffic signal work through November 2016. Left turn lanes at the intersection will remain closed until the traffic signal work is complete.

Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
